INTEGRATED CLEARINGHOUSE

Inovalon and Waystar	Pricing Options Available on Request
-----------------------------	--------------------------------------

REMINDERS & BROADCAST MESSAGING

REMINDERS are customizable automated messages delivered to patients and enabled through the Patient Communications page in Valant. What is the “1st appointment reminder”? The first reminder sent to patients prior to each appointment. For Premium and Power plans, this reminder is included for free.

Cost Per Reminder Sent*	Lite and Pro Seat License Holders	Premium and Power Seat License Holders
1st Appointment Reminders	\$0.09 per reminder sent	FREE
2 nd , 3 rd , Final Appointment Reminders	\$0.09 per reminder sent	\$0.09 per reminder sent
Other Reminders	\$0.09 per reminder sent	\$0.09 per reminder sent
Other Reminders include the following: No-Show Follow Up Reminders, Credit Card Expiration Reminders, Insurance Expiration Reminders, MYIO Portal Onboarding Reminders, New Prospective Patient Message, Appointment Scheduled Messages and additional rule-based reminders coming in the future.		

BROADCAST MESSAGING is a single message sent to multiple patients at once.

Cost Per Message* Per Recipient	Lite and Pro Seat License Holders	Premium and Power Seat License Holders
Broadcast Message	\$0.09 per message per recipient	\$0.09 per message per recipient

Practices will only be charged once for the reminder/message sent to a patient, even if the patient has opted in to receive communications through multiple methods (e.g., text and email).

CLAIM ASSIST

CLAIM ASSIST is an integrated system that reviews charges based on standard and customer billing rules, identifying and fixing errors prior to claim submission. The service is priced at **\$70 per 200 claim bundle** purchased in **bundle** increments. **Bundles** expire at the end of each month.

API SERVICES

Valant enables practices to connect via API for a variety of different services. Valant charges on an “API call” basis for those interconnections using a tiered pricing model.

Tier	Monthly API Calls	Price per Month
1	0 to 75	\$25
2	76 to 250	\$50
3	251 to 500	\$75
4	501 to 1,250	\$100
5	1,251 to 2,500	\$150
6	2,501 to 5,000	\$250
7	5,001 to 10,000	\$500
8	10,001 to 25,000	\$750
9	25,001+	\$0.03 per call

TELEHEALTH

Practice Wide – TeleHealth	\$35 per month, per provider. All providers must be enrolled. Only available to providers.
Choose Your Seats -- TeleHealth	\$39 per month, per provider. Choose which providers are enrolled. Only available to providers.

WILEY PRACTICE PLANNER DATASETS AS PART OF THE TREATMENT PLAN CONTENT

Enabling access of this content at the provider level of permissions will incur a charge of \$27 per month per provider. Our licensing agreement with Wiley requires that we report all users with active access to content each month so we will not be able to pro-rate this service as we do with other seat licenses. One day or thirty days of available access in a month will incur a charge of \$27 per provider. (Note this is available access not actual usage by your providers.) All this content is licensed from, and the copyright is owned by John Wiley & Sons, Inc. All Practice Planner documents are used by permission of John Wiley & Sons, Inc.

Pricing is exclusive of all applicable taxes. Fees for usage of any of the above-listed Services will be billed monthly at the end of each month of service, and payable according to the terms of the Master Services Agreement. Valant reserves the right to change pricing, and to add Services with prior notice to Customer. Any notice of price change or Service addition in accordance with the foregoing shall constitute an amendment to the Master Services Agreement.

To add a Service please contact the Subscriptions Service team at: www.valant.io/subscription.
